Scholarship Application

The NASC Volunteer Staff has a long-standing commitment to make Workshop as affordable as possible for all Nebraska students. We've been proud of the fact that for the past 37 years, we've offered one of the best and least expensive youth conferences around. In the spirit of this commitment, we are pleased to offer several 50% scholarships to students who might otherwise have difficulty affording the regular registration fee.

Our overall purpose in offering these scholarships is to encourage more widespread participation in Workshop. Even though we wish we could offer more scholarships than we are currently able to do, we firmly believe in the worth of each individual, and are happy to be able to make a difference in any small way we can.

Please provide the following information:

Name: _____

School: _____

Does your district/school/council help pay for part or all of your Workshop registration fees?

If yes, how much? \$ _____

Number of dependent children in household: _____

Family's gross annual income:\$ _____

Do your parents help pay for part or all of your workshop registration fees?

If yes, how much?: \$ _____

On a separate sheet of paper, answer the following:

Why do you want to attend the NASC Summer Leadership Workshop?

Scholarship Information:

1. Scholarship applications are due with Workshop registration forms by June 17th, 2011. In order to be considered for a scholarship, students must send \$130 with the completed registration form.
2. A scholarship selection committee will review all applications and weigh them against other applications from within the same district. Financial need is the primary basis for selection.
3. Applications received by June 17th will receive priority; however, applications received after June 17th will be considered if any scholarships remain.
4. All applicants will be notified by July 1st.
5. After July 1st, scholarship recipients will be required to submit the remaining \$130 payment (if not done so already) prior to coming to Workshop. Applicants who did not receive a scholarship may either cancel their registration or submit the regular registration fee.
6. All decisions of the committee are final.
7. Information submitted on this form will be confidential. Nobody outside of the scholarship committee will view it.

Jerad Manzer Memorial Scholarship

The NASC Volunteer Staff offers a scholarship to honor one of its own, Jerad Manzer. Jerad was a NASC Staff member and former District 4 president who succumbed to heart failure on March 11, 2001. Jerad was an exceptional young man who had just begun to leave his mark on NASC and the world. His endless enthusiasm, dedicated spirit, and positive attitude, which inspired so many, will be greatly missed. In recognition of Jerad's contributions to this organization and to promoting leadership in Nebraska high schools, the NASC Volunteer Staff has created a scholarship to allow others to experience the NASC Summer Leadership Workshops. This is a need-based scholarship available exclusively to District 4 student council members. Please provide us with all of the information required by the standard scholarship form and answer the following question: *How can I make a difference in my school and community?*

Scholarship Fund Contributions and Development Fund Contributions

Each year we award scholarships to students throughout the state who would otherwise have difficulty affording the regular registration fee. We attempt in every way possible to keep the registration fee reasonable while covering our costs of producing our quality Workshops. All Volunteer Staffers at the Workshop are not paid.

Most of our scholarship dollars are provided through fundraising efforts within our 200 Volunteer Staff members throughout the country. On occasion we receive funding from parents or matching funds from companies to help send students to Workshop.

The good news is you can help! This Workshop is a rewarding experience for a good majority of our attendees. We consistently receive positive evaluations from over 95% of our participants. As we continue to ponder why kids are bringing guns to schools, it's refreshing to find organizations that help students build self-esteem and leadership skills while making positive connections to other students, their schools and their communities. We strive to create a safe, positive environment for EVERYONE to explore and grow as an individual while understanding how to respect others.

It is our goal as the NASC Volunteer Staff to provide quality programming and services to as many students throughout Nebraska as possible. We currently provide many services as listed in this brochure. We have a wish list to provide many more. If you would be interested in acquiring the NASC Volunteer Staff annual report to learn more about our financial goals and wish list, please contact:

Amy Batten, Executive Director NASC Volunteer Staff
P.O. Box 4069
Omaha, NE 68104-4069

The Nebraska Association of Student Councils is a not-for-profit, 501(c)3 organization. Your contributions are tax deductible. A receipt will be mailed to you for your records.
