Lincoln, NE 68512

OVER

Scholarship Application

Scholarships Available to Senior High Students Only

The Launch Volunteer Staff has a long-standing commitment to make Workshop as affordable as possible for all Nebraska students. We've been proud of the fact that since 1976, we've offered one of the best and least expensive youth conferences around. In the spirit of this commitment, we are pleased to offer several 50% scholarships to students who might otherwise have difficulty affording the regular registration fee.

Our overall purpose in offering these scholarships is to encourage more widespread participation in Workshop. Even though we wish we could offer more scholarships than we are currently able to do, we firmly believe in the worth of each individual, and are happy to be able to make a difference in any small way we can.

Please provide the following information:

Name: _____

School: _____

Does your district/school/council help pay for part or all of your Workshop registration fees?

If yes, how much? \$ _____

Number of dependent children in household: _____

Family's gross annual income: \$ _____

Do your parents help pay for part or all of your workshop registration fees?

If yes, how much?: \$ _____

On a separate sheet of paper, answer the following:

Why do you want to attend the NASC Summer Leadership Workshop?

Scholarship Information:

1. Scholarship applications are due with Workshop registration forms by June 22. In order to be considered for a scholarship, students must send \$130 with the completed registration form.
2. A scholarship selection committee will review all applications and weigh them against each other. Financial need is the primary basis for selection.
3. Applications received by June 22 will receive priority; however, applications received after June 22 will be considered if any scholarships remain.
4. All applicants will be notified by July 6.
5. After July 6 the applicants who did not receive a scholarship may either cancel their registration or submit the remaining registration fee.
6. All decisions of the committee are final.
7. Information submitted on this form will be confidential. Nobody outside of the scholarship committee will view it.

Jerad Manzer Memorial Scholarship

The Launch Leadership Foundation offers a scholarship to honor one of its own, Jerad Manzer. Jerad was a member of our staff and former NASC District 4 president who succumbed to heart failure on March 11, 2001. Jerad was an exceptional young man who had just begun to leave his mark on our organization and the world. His endless enthusiasm, dedicated spirit, and positive attitude, which inspired so many, will be greatly missed. In recognition of Jerad's contributions to this organization and to promoting leadership in Nebraska high schools, the Launch Volunteer Staff has created a scholarship to allow others to experience the NASC Summer Leadership Workshops. This is a need-based scholarship available exclusively to NASC District 4 student council members. Please provide us with all of the information required by the standard scholarship form and answer the following question: *How can I make a difference in my school and community?*

Scholarship Fund Contributions and Development Fund Contributions

Each year we award scholarships to students who would otherwise have difficulty affording the regular registration fee. We attempt in every way possible to keep the registration fee reasonable while covering our costs of producing our quality Workshops. All Volunteer Staffers at the Workshop are not paid.

While most of our scholarship dollars are provided through fundraising efforts within our Volunteer Staff, we are also fortunate to receive funding from parents and matching funds from companies to help send students to Workshop.

The good news is you can help! This Workshop is a rewarding experience for a good majority of our attendees. We consistently receive positive evaluations from over 95% of our participants. As we continue to ponder why kids are bringing guns to schools, it's refreshing to find organizations that help students build self-esteem and leadership skills while making positive connections to other students, their schools and their communities. We strive to create a safe, positive environment for EVERYONE to explore and grow as an individual while understanding how to respect others.

It is our goal as the Launch Volunteer Staff to provide quality programming and services to as many students throughout Nebraska as possible. We currently provide many services in addition to those listed in this brochure. We have a wish list to provide many more. If you would be interested in acquiring our annual report to learn more about our financial goals and wish list, please contact:

Lincoln Arneal, Executive Director Launch Volunteer Staff
lincoln@launchleadership.org

The Nebraska Association of Student Councils is a not-for-profit, 501(c)3 organization. Your contributions are tax deductible. A receipt will be mailed to you for your records.
